trainers**
\$500 per person
Contact us for further details

¹ A 5 percent discount will be available to groups of 3 or more registering together for either an existing QCIT observer certification training led by Mathematica or a QCIT training of trainers (contact us for details). The cost for in-person trainings will vary. In addition, if you would like a private training for your group, contact us for customized pricing based on your group's needs.

² Requirements to attend a TOT are that a person 1) is a certified QCIT observer AND 2) has completed at least 5 QCIT observations (either in-person or via video) before the TOT.

Key pathways to using the QCIT instrument
